August 10, 2011

Dear Colleagues:

It is time again to start planning to attend the 2011-2012 programs presented by the Northern Kentucky Dental Society. As in the past, our meetings will be held at Ft. Mitchell Country Club on the third Tuesday of October, November, January, February and March.

Continuing education courses begin at 5:30 p.m. followed by dinner and our business meeting. The fee for the CE course remains \$50.00 and dinner will be \$26.00 with course and dinner being \$76.00.

The Society will be presenting an OSHA course on Tuesday, September 20 from 6:00 – 8:00 p.m. at the Gardens of Park Hills. The registration form is enclosed and all forms are due by September 9.

We are excited about our lineup of speakers and hope you will find them very informative. This year we will have topics focused on management of sinus infections, TMD, oral infectious diseases, sleep apnea, and an update on ceramic restorations. These courses will be informative for doctors and staff alike.

Please remember to visit our website at www.northernkydental.org to place free employment ads, obtain our meeting agenda, minutes, etc. Feel free to share our meeting schedule with your staff since they can attend the continuing education course for a fee of \$20 per person.

The annual golf outing is in the planning stages. We will update everyone on the date and location very soon.

Many things have been happening in the field of organized dentistry this year. I hope you will join us at our meetings so we can help fill you in on the new changes coming. If you haven't been in a while, please join us this year for food and camaraderie. I look forward to seeing each and every one of you!

Thank you for your continued support of your Society. Please encourage your colleagues and co-workers to support this exciting 2011-2012 meeting schedule. Let's make this a great year!

Sincerely,

Katherine C. Beiting, D.M.D.
President
