August 10, 2015

Dear Colleagues:

It is time again to start planning to attend the 2015-2016 programs presented by the Northern Kentucky Dental Society. We are extremely excited about the changes that have been made to the monthly CE courses and as in the past, our meetings will be held at Ft. Mitchell Country Club. The meeting dates have been set and are available on the enclosed schedule.

Continuing education courses begin at 5:30 p.m. followed by dinner and our business meeting. The fee for the CE course is \$55.00 and dinner will be \$30.00 with course and dinner being \$85.00.

The Society will be presenting an OSHA course on Tuesday, September 15 from 6:00–8:00 p.m. at the Gardens of Park Hills. The registration form is enclosed and all forms are due by September 1st. We will also be having the annual KASPER course October 20, given by doctor Patrick Sammons. Pat is a great speaker and really makes a dry subject interesting. He has taught the subject of drug abuse at the University of Kentucky for years, and does a wonderful job captivating the audience with stories of his personal life as well as those colleagues he has helped along the way

We are so excited about our lineup of speakers and hope you will find them very informative. This year we are excited to have the renown Dr. Lawrence Kurtzman speaking about “aesthetic plastic surgery” on February 9th. We also look forward to having our first “all day” CE course covering many cutting edge techniques on a date TBD in March. In addition we also have Jim Boltz speaking in November about practice analytics, what the numbers and percentages in your office mean. We have vetted numerous speakers and are extremely excited about the lineup that has been chosen.

Please remember to visit our website at [www.northernkydental.org](http://www.northernkydental.org) to place free employment ads, obtain our meeting agenda, minutes, etc. Feel free to share our meeting schedule with your staff since they can attend the continuing education course for a fee of only \$30 per person.

The annual golf outing is in the planning stages. We will keep everyone updated on the date and location.

We have worked hard on reorganizing the NKDS, and are confident that you will enjoy the chosen speakers and topics. I hope you will join us at our meetings so we can help fill you in on the new changes coming. If you haven't been in a while, please join us this year for food and camaraderie. I look forward to seeing each and every one of you! If you have any suggestions/comments please feel free to contact me directly or Peggy at the NKDS office.

Thank you for your continued support of your Society. Please encourage your colleagues and co-workers to support this exciting 2015-2016 meeting schedule. Let's make this a great year!

Sincerely,

Jerrold R. Dempsey, D.M.D., M.S.
